

## SUMMARY

Skilled Full Stack Java and Web Developer with a strong background in designing, building, and deploying scalable web applications. Proficient in both frontend and backend technologies, with expertise in Java, Spring Boot, Hibernate, React/Angular, and RESTful APIs. Experienced in Agile environments and well-versed in modern DevOps practices to ensure efficient development and deployment processes.

## SKILLS

- Programming Languages: Core Java, Advanced Java
- Frameworks & Technologies: Spring, Hibernate, Spring Boot
- Frontend Development: React, Angular (for MERN/MEAN stack)
- Backend Development: Node.js, Express.js
- Databases: MySQL, MongoDB
- Web Development: Full Stack (MERN & MEAN)
- Development Practices: Agile, DevOps

## LANGUAGES

- Marathi (Native/Fluent)
- Hindi (Fluent)
- English (Fluent/Professional Proficiency)

## PROJECTS

### Contact Management System

- A web application for storing, managing, and organizing contacts.
- Features: JWT-based authentication, add/edit/delete contacts, search & filter, category management, profile management, role-based access control (RBAC), export contacts as CSV/PDF.
- Tech Stack: Java, Spring Boot, React/Angular, MySQL, JWT Authentication.

### Apna Ghar

- A web-based real estate platform for buying, selling, and renting properties.
- Features: User authentication, property listings, advanced search & filters, wishlist, in-app messaging, map integration, reviews & ratings.
- Tech Stack: MERN/MEAN Stack, Firebase, Google Maps API, MySQL/MongoDB

## EDUCATION

Bachelor of Computer Science (BCS)

1998 – 2000

Higher Secondary Certificate (HSC)

1995 – 1997

## PROFESSIONAL EXPERIENCE

### Technical Trainer

#### IT Education Centre | Pune, India | 2023 – Present

- Conducting training sessions on Full Stack Development, Java, and Web Technologies.
- Mentoring students and professionals to enhance their technical skills.

#### Seven Mentor | Pune, India | 2021 – 2023

- Delivered hands-on training in Java, Spring Boot, and MERN/MEAN Stack.
- Designed and implemented structured learning modules for software development.

#### Profound Computer Institute | Pune, India | 2019 – 2020

- Trained students in Java, Hibernate, and Web Development frameworks.
- Assisted in developing project-based learning approaches.

#### Envision Computer Institute | Pune, India | 2014 – 2019

- Provided in-depth training on Java, MySQL, and Full Stack Web Development.
- Guided students in real-world application development and best coding practices.

## DECLARATION

"I affirm that the details mentioned in this resume are accurate and complete to the best of my knowledge. I take full responsibility for the correctness of the information."
